

## Dear Valued Client

THANK YOU FOR CONSIDERING THE HOME LOAN TEAM AT PEOPLES BANK.

Our focus is to provide outstanding Service, Professionalism, Knowledge and Customer Guidance.

Peoples Bank knows what it takes to be a successful lender. Since the start of our operation, our dedication to exceed your expectations and guarantee your satisfaction has made us what we are today. From start to finish in the loan process, we provide no less than exceptional service to our most prized asset – our customers.

We understand that the loan business can be a fiercely competitive market. We also believe that there is more to home financing than simply securing the lowest interest rate. That is why we ask a lot of questions and take the time to listen to your answers concerning your overall financial picture. As a mortgage professional, our goal is not only to provide you with a loan, but also help you select the one most beneficial to you and your long-term goals.

Funding your loan is just the beginning of our relationship with you. We want you as a lifetime customer, not just a one-time loan. Peoples Bank wants to be your ultimate resource for: homeowner's insurance, auto loans, on-line banking, small business loans and a full suite of financial planning products.

We are highly confident in the professional skills and abilities of the entire Home Loan Team at Peoples Bank. We are proud to have earned a 97% customer approval rating in each of the last 4 years. We would encourage you to experience what our current customers have already discovered.

**We look forward to serving you!**
