

July 23, 2021

These are exciting times for Premier Bank and its customers. In March 2021, we announced Premier Bank's plan to become part of Peoples Bank. Peoples Bank is a community bank recognized by Forbes as a Best-In-State Bank in 2020 and 2021 and has 76 bank branches in West Virginia, Ohio and Kentucky. Pending regulatory approval, the merger is expected to be completed at the close of business on Friday, September 17, 2021.

What this means for you

On Monday, September 20, 2021, you will find that Premier Bank branch offices have become offices of Peoples Bank and your accounts will be Peoples Bank accounts. Although the name on the sign will change, you will continue to see familiar faces at our locations.

Why this is great news

As a Peoples Bank customer, you have access to a community bank with a greater array of financial products and services, including trust & wealth management and insurance products, all delivered with the same local customer service you have come to expect. Your branch network now expands to over 100 locations.

Peoples Bank and West Virginia, Virginia and the D.C. Metro area

Peoples Bank has a strong commitment to community and will continue in the footsteps of Premier Bank in making a positive and meaningful difference in our local communities. You can learn more about Peoples Bank's commitment to communities at peoplesbancorp.com.
