("Peoples") (Nasdaq: PEBO) yesterday announced that its banking subsidiary, Peoples Bank, will donate \$250,000 to Peoples Bank Foundation, Inc. to be used to combat the COVID-19 pandemic. The majority of the funds are expected to be donated to food banks and food pantries across Peoples' footprint in Ohio, Kentucky and West Virginia.

"Part of being a true community bank is to provide support to those who need it, especially during difficult times. We will do what we can to make sure people in our communities don't go to bed hungry," said Chuck Sulerzyski, Peoples' President and Chief Executive Officer.

Staci Matheney, President of Peoples Bank Foundation, Inc., a 501(c)(3) nonprofit corporation, said "The Peoples Bank Foundation strongly supports food assistance and hunger awareness initiatives because we know the impact that food insecurity can have on individuals and families in our communities."

Ms. Matheney stated that \$15,000 was donated by Peoples Bank Foundation in April to Marietta Memorial Hospital for COVID-19 related equipment. She expects the majority of the \$250,000 to be given to local food banks and pantries by mid-May.
