WORKING TOGETHER. BUILDING SUCCESS.

Peoples Bank Foundation, Inc. ("Peoples Bank Foundation") provides resources to transform communities and enhance the lives of individuals and families in the areas served by Peoples Bank.

Peoples Bank Foundation, a 501(c)(3) nonprofit corporation, was organized exclusively for charitable purposes to meet the needs and challenges of all segments of our communities. It provides funding support for non-profit and community service organizations to help grow their impact. We build strong partnerships in our communities, and our Peoples Bank teammates dedicate thousands of hours of volunteering in their neighborhoods.

The Peoples Bank Foundation centers its contributions in the areas of Community Investment and Economic Development, Youth and Education, Health and Human Services, Arts and Culture, and Environmental Stewardship.

A particular passion of the Peoples Bank Foundation is food assistance and hunger awareness initiatives because we know the impact that food insecurity has on the individuals and families in our communities.

In 2024, we awarded approximately 250 grants and scholarships across Peoples Bank's footprint, as well as in the cities where Peoples Bank's nationwide specialty finance divisions are based (North Star Leasing, Vantage Financial and Peoples Premium Finance).

Every day, I am in awe of all the amazing work that is being done by our local non-profits. I did want to say thank you to two of our former board members, Chuck Sulerzyski and Jim Huggins, as they left the board in 2024.

As always, we are fortunate to have so many great local communities in which we live, work and play.

**We are proud to be your
community partner.**

Sincerely,

Staci B. Matheney
